**Reasons for support or oppose** No animal whether it's a horse or dog should be wandering the streets of Opotiki. All horses should be removed from the township due to the fact many are left to wander or are tied up without permission on private property. Rates payers are paying for council to maintain and have even installed fencing for these horses for river bank, council land grazing only for it to be damaged or ripped down. There are only a few responsible horse owners and the others have ruined for all. Get rid of the problem once and for all.
