

Ōpōtiki District Council  
Ōpōtiki Ward  
Electing 3 Councillors

---

**Kingi Bruce WILLIAMS**

My principal place of residence is in the Ōpōtiki Ward area.

We live in challenging times and our people need a Council that cares. Our community needs real people advocating about real issues for the people that live here - not just the people that

visit.

I want to be a voice for our whānau that know what it's like when our rubbish can't fit in our bins and we have to wrestle them out our driveways; or when our prams can't get under the bars on the Motu trails; or when we step on glass at the park; or can't control the ants taking over our kitchens; or when we have to leave our district just to enjoy a hot soak.

Our township is the heart of our Ōpōtiki District. Our people must be empowered to live in our uniquely 'Ōpōtiki by nature' way.

Vote for me.....I will be the game changer.
