

Ōpōtiki District Council

Electing the Mayor

Lyn RIESTERER

My principal place of residence is in the Ōpōtiki District Council area.

I want to serve Ōpōtiki District as Mayor again to progress the positive momentum already achieved over the last three years. A continuity of leadership at this time of growth and during

so many reform changes is a must for stability and a smooth transition through all of the impending changes.

Ōpōtiki District deserves to have strategic thinkers around the Council table making the best decisions possible for the betterment of everyone. There is a real need for collaborative relationships within our District and, as well, at regional and national levels. This is a strength area of mine as well as advocating on our District's behalf within those relationships. I will continue to use my passion, enthusiasm and inclusive leadership skills for all within Ōpōtiki District.
