**Maude MAXWELL**

My principal place of residence is in the Ōpōtiki Ward area.

Hello! My name is Maude Maxwell. I am running for the position of Councillor for Ōpōtiki Ward.

I want to play an active role with on-going improvements of our Ōpōtiki District and its

many facets.

I see the position as an excellent way to involve the voice of our people of this community, but also the bigger picture of providing a better place for future generations.

I want to listen to our people's voice, creating opportunities for our community to be more involved, not be absent in voice.

I have work experience in governance, relationship building and collaboration.

I will endeavour to put the concerns such as collection management, waste disposal, flood management as a priority, and apply improvement to local access and facilities for disabled with the help of community contribution.

I would appreciate your vote for me, Maude Maxwell, to serve on the Ōpōtiki Ward, as your Councillor.
