## Submission details

My/our submission:

- Supports the application  
 Opposes the application  
 Neutral regarding the application

The specific parts of the application to which my/our submission relates to are:

The delay from Council in the approval process for the resource consent.

The reasons for my/our submission are:

It has been proven through waste water testing that Opotiki and Kawerau have the highest reading for methamphetamine. Due to this it is obvious that Opotiki and the wider communities will benefit from a service such as this one.

The decision I/we would like Ōpōtiki District Council to make is (including, if relevant, the parts of the application you wish to have amended and the general nature of any conditions sought):  
Resource consent being approved without further delay.

### Submission at the hearing

- I/we wish to speak in support of my/our submission.  
 I/we do not wish to speak in support of my/our submission.  
 If others make a similar submission, I/we will consider presenting a joint case with them at the hearing.
