Supports the application
 Opposes the application
 Neutral regarding the application

The specific parts of the application to which my/our submission relates to are:

Progress consent without further delay

The reasons for my/our submission are:

I am writing on behalf of our community. We are a Health & Social Services provider who work with client who have come to our attention for Drug & Alcohol support. We are highly trained professionals who understand the importance of clients access to a live in facility to help curb there addiction. The environment and trained staff that Te Pou Oranga o Whakatohea is providing will give those clients who are wanting to 'kick' their addiction the professional oversight and counselling they require to improve their well-being and those of their whanau. We know from evidence that the community will also benefit.

The decision I/we would like Ōpōtiki District Council to make is (including, if relevant, the parts of the application you wish to have amended and the general nature of any conditions sought):

Provide consent without further delay.
